

Good Afternoon,

February 1, 2019

We are pleased to announce that the Sailfish Marina Resort will be holding our 7th Annual Singer Island Spiny Lobsterfest, on August 10, 2019.

This year, we are excited to announce that Lobsterfest will benefit, the West Palm Beach Fishing Club. The mission of WPBFC is to, “fill a community need by supporting education, conservation and historic preservation programs that have a lasting beneficial impact on the youth, marine resources and history of Palm Beach County and beyond”. The WPBFC was established in 1934 and has been integral in protecting and preserving the marine wildlife and waterways of the Palm Beaches and beyond.

Lobsterfest is a family friendly event where thousands of locals come out to kick off lobster season. Sailfish Marina organizes and hosts the event which features great food, live-entertainment, a silent auction, raffle prizes, over 30 vendors, and fun activities for the family such as water slides, lawn activities, face painting, and a “best lobster” dog costume contest.

Lobsterfest is truly a unique event which provides huge exposure to our sponsors. There are various opportunities to get involved including sponsorships, donations to the silent auction, as well as vendor booths. Any way that you are willing to donate is a huge help and is truly appreciated. We would love to have you participate in Lobsterfest this year. Please feel free to contact me at Shannon@sailfishmarina.com . I look forward to the opportunity of working with you.

Warmest Regards,

Shannon Carnahan
Director of Marketing & Sales
